EO-8907

be designed to ensure a first-class performance to include the adequacy of training aids and whether the type presentation is appropriate. Example: Whether the period could be better presented as Lecture, Conference, Seminar, etc.

e. That the Director of Training consider the feasibility and make recommendations thereon, of providing a well-rounded and secure presentation of the Central Intelligence Agency activities to all Department of Defense college-level educational institutions.

f. That no change be made in the administration of the course, and that [REDACTED], be commended for his efforts in this regard.
